

### PREPARING YOUR POSTER

---

- Each poster must have a **top label** indicating the title of the poster, the names of the authors and their affiliations. The size of the characters for the title should be at least 0.8" (2 cm) high.
- **Minimum font size:** 0.4" (1 cm).
- **Obligatory Disclosure Statement:** As a requirement for the CME accreditation of the program all presenters must print a separate sheet to disclose their *Potential Conflict of Interest*. This should be pinned next to the poster.
  - Please download this template to disclose your potential conflicts of interest:  
[http://www.cuameeting.org/themes/web/assets/files/pptx/2017\\_EF\\_disclosure\\_template.pptx](http://www.cuameeting.org/themes/web/assets/files/pptx/2017_EF_disclosure_template.pptx)
  - If you do not have any potential conflicts to disclose, please print the statement: "I have no conflict of interest to disclose."
- Keep **illustrative material** simple. Simple use of colour is effective for adding emphasis.
- Simple "Introduction" and "Conclusion" sections are usually helpful. When feasible, use graphs for demonstrating qualitative relationships, use tables for precise numerical values.
- **Do not mail posters** in advance, they may not arrive in time or at the right place; bring them with you to the conference.
