

Canadian Uro-Oncology Summit (CUOS) 2019

CUOG

Dear Colleagues,

On behalf of the Canadian Uro-Oncology Group, I am pleased to announce the first annual premiere meeting for Uro-oncology specialists entitled, **Canadian Uro-Oncology Summit (CUOS)**. In consultation with GUMOC, GUROC and CNUP we have decided to all come together and establish a meeting where Canadian expertise can exchange ideas, new research findings and clinical expertise.

This meeting will include poster, podia and plenary sessions. Separate breakout sessions for specialty-specific concerns also will be featured. All abstracts will be published in the Canadian Urological Association Journal (CUAJ).

Included in the registration fee, all food and beverage will be served in a state-of-the-art exhibition hall. A networking and social event will also be planned.

We are aiming for our first meeting on January 10-12, 2019 in Toronto.

The CUA Office of Education will oversee the coordination of the event as well the accreditation process for all specialty groups.

We look forward to your participation in this inaugural event.

More information will follow in the next few months.

Sincerely,

Neil Fleshner

cuameeting.org

Proudly supported and co-sponsored by

Genitourinary Medical Oncologists of Canada
Oncologues Génito-urinaires Médicaux du Canada

GUROC

GU Radiation Oncologists of Canada

CNUP

Canadian Network of Urological Pathologists

Partners of the inaugural meeting in 2019 will have preferred pricing on sponsorship opportunities for future iterations of this meeting.
